<sup>1</sup> At Exness, over 98% of withdrawals are processed automatically. "Fastest withdrawals" refers to a comparison of Exness' withdrawal processing time vs. 3 other brokers, last updated on 07.05.2025. Processing times may vary depending on the chosen payment method.

<sup>2</sup> Most precise claims refer to average slippage rates on pending orders based on data collected between September 2024 - July 2025 for XAUUSD, USOIL and BTC CFDs on Exness Standard account vs similar accounts in 4 other brokers. Delays and slippage may occur. No guarantee of execution speed or precision is provided.

<sup>3</sup> Spreads may fluctuate and widen due to factors including market volatility, news releases, economic events, when markets open or close, and the type of instruments being traded.
